Re: Notice of File Closure for Small Mining Activities, Moon #4, S/037/079, San Juan County, Utah

Dear Mr. Sutherland:

This letter is to notify you that file #S/037/079, for the Moon #4 project, located in Section 24, T41S, R19E County, Utah, will be retired from our files.

The BLM and Division recently inspected the project area and did not find any mining related disturbances at the site. The BLM has closed out their file for this project. Because there are no disturbances here to be reclaimed, we will now close the Division file for this project. If you wish to do mining in the future, you will need to submit a new Notice of Intention with this Division and the appropriate land management agency. If you have any questions or concerns regarding this action, please notify us within 15 days from receipt of this letter.

Sincerely,

Anthony A. Gallegos
Senior Reclamation Specialist
